Authentic Models' dedication to recreating the past's most fascinating objects opens up plentiful opportunities to give gifts with meaningful back-stories. We have unearthed historic detail, revived old designs and occasionally added our own contemporary twists to bring treasured quality, beauty and distinctive charm to 21st century lives.

While some of our offerings are true replicas, others are modern day interpretations. All are expertly crafted to truly impress those lucky enough to receive them. Or maybe they are just too appealing to part with?
